

Your Vacation Guide to Hawaii:
**OAHU AND THE BIG ISLAND
ARE CALLING**

An aerial photograph of a tropical beach scene. In the background, a large, rugged mountain (Diamond Head) rises from the ocean. To the left, a modern high-rise building is visible. The beach is filled with people, colorful umbrellas, and lounge chairs. The water is a vibrant turquoise color, and several people are swimming. In the foreground, a row of palm trees lines the beach. A dark red rectangular box is overlaid on the center of the image, containing white text.

When most people daydream of the perfect beach getaway, the pristine beaches and tropical flora and fauna of the Hawaiian islands come to mind. As the world's most remote populated archipelago, these islands have been the pinnacle of a tropical paradise and the ultimate destination for beach vacations. The thriving Polynesian culture, regional cuisine, and nearly endless amount of things to do and explore have also made the islands one of the most visited destinations on the planet!

We invite you to make your daydreams of lounging on a warm Hawaiian beach a reality! Just as our name suggests, Private Homes Hawaii provides a wonderful collection of unique and upscale vacation rentals in Hawaii. With two locations in the hip community of Kailua on Oahu and the Big Island's Four Seasons Hualalai Resort, our wide variety of options allows you to find the ideal getaway for your next gathering or luxury escape to paradise.
